Good Morning Sue...

My time limitations have been a real hold up for our getting reimbursed for the slough wall installation on Sepulveda Boulevard. If you're willing to take on this effort, it will really be a help.

I'll bring you my file and you'll have all the backup needed. I can drop it off to you on Tuesday; we can even meet if you have time. Or we can do another day. Let me know.

I think that we just need to submit our "proof of payments" for the work that has been done to Avak Sarafin (213-978-1087 [Avak.Sarafian@lacity.org](mailto:Avak.Sarafian@lacity.org)) and he'll reimburse us. He'll also want to execute an extension to the Agreement we have, which will be aaaaa little time consuming wrinkle, but not difficult.

Anna Kozma @ CD5 will be happy to assist us as well (310-568-8772 or 310-265-5416 (cell)). Her email is [anna.kozma@lacity.org](mailto:anna.kozma@lacity.org).

I'm happy to help in any way, but your help could get this project completed at a time that I'm swamped.

Tell me how to help. Thank you!
